How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Bill's Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Seven of Clubs Person

The Card of Spiritual Knowledge

All Sevens are highly spiritual cards but it is up to the individual to manifest this spirituality and to turn negativity into accomplishment. The Seven of Clubs challenge rests in the negative aspects of the mind which are worry, doubt and pessimism. They have much inherent inspiration and insight, but when they don't follow it, Saturn's influence brings much despair and sometimes depression. They have power to overcome their problems and to attain the fame and recognition they secretly desire, but they must apply themselves diligently.

They are likely to have large sums of money at different times in their life, but often they spend it as fast as they get it. They are not the best money managers. All their difficulties in life can be traced directly to their thoughts. So the Seven of Clubs, more than any other card, has a great responsibility to maintain positive, healthy thoughts. Any contact with spiritual thoughts or ideals is sure to have a positive effect on them and is highly recommended.

Developing honesty and integrity is part of the Seven of Clubs challenge. If they let their desire for success override their integrity they will suffer, especially in the areas of love and family.

Some of the Seven of Clubs Issues Concerning Relationships

The Seven of Clubs person has neither bad nor good karma in the area of love. The true story of their love life comes as a result of how they handle the other areas of their life. The good news is that if they apply themselves, they have more chances than any other card in the deck to attain mastery of their emotions and romantic involvements.

They have some karma to be sure, and sometimes this karma may be reflected in learning to let go of personal attachments to others or in creating a positive attitude about their partner as well as the rest of their life. They

always operate better if they are married and will sooner or later make that commitment and be increased by it.

If they do attain the fame they seek, they are more tempted with indecision in their personal life and in the choice of a mate. This can often result in remarriage.

All about Bill`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Leos Have No Separate Planetary Ruling Card

Because you are a person born under the royal sign of the Sun, your Planetary Ruling Card is the same as your Birth Card. What this tells us is that you are much like a double or triple version of your Birth Card. Whatever qualities you have, according to your Birth Card, have been doubled in your case and of course, you tend to dramatize these qualities to the max at times. Of you, people might say, "he (or she) is such a card!" because you put so much of yourself into whatever expression you have to show to the world. You have a lot of potential in terms of leadership and have an opportunity to utilize the characteristics of your Birth Card to lead others and help them in many ways. You also tend to have a strong romantic nature that in some cases, can interfere with long-term commitments.

All about Chelsea`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Jack of Clubs Person

The Mentally Creative Card

Creative, dishonest, or a mixture of both? As we can imagine, those who are the most creative can also be the most dishonest and vice versa. Here is a card of mental and financial creativity and these people are no lazy bones. Their brilliant minds are far ahead of the common person and society. They are the people of the Aquarian Age, being neither entirely male nor female. They are progressive and on the cutting edge of the evolution of our society and world.

As members of the royal family they dislike pettiness and tend to be somewhat impatient with the failings of others. They need respect and a position that allows their brilliant minds free reign to create and explore. They are never at a loss for ideas, some of which will bring them huge financial returns. On the negative side, the Jack of Clubs can be irresponsible and in some cases, dishonest. They can see things from so many levels that nothing is really 'wrong' - it is just another way of looking at things. And they can make up a story so fast that they can explain away practically anything. They don't get away with much in that regard though. Saturn's hand always reminds them of the boundaries that keep them balanced and fair. The trouble comes when they start believing their own stories, departing from reality a little too far and creating a lot of hardship before getting back on course.

They are essentially good and giving people. Even though they are argumentative at times, they are loving and friendly to all they meet.

Some of the Jack of Clubs Issues Concerning Relationships

Such a strong and fixed mental approach to life can have its share of challenges for the Jack of Clubs. Mental approaches don't always work in the realms of love. However, these people do not have particularly bad karma in this area. They need someone who is their friend first, and who will allow

them some freedom to do and be themselves. If they have this, they are faithful and devoted. The men are excellent lovers and the women excellent companions.

They often have to contend with the ill health of a loved one, or their own health problems that are rooted in some emotional conflict. In most cases their health issues are related to some emotional cause, whether it be family or lover related.

All about Chelsea`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Four of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of good organizational talent and the ability to manage money well. You are probably a good worker and may even enjoy kinds of work that others disdain. You can be stubborn about your likes and dislikes as well as your philosophies about money and life. You are fond of travel, but probably won't get to do a lot of it until you are older. To you, life is work, and you will always have to work in order to have any happiness. Even in your personal relationships, the work is a requirement. Nothing comes to you without a price. But the enjoyment of work can be part of the reward for doing it and will ultimately bring you everything that you desire.

All about the Card Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Bill

Chelsea

Chelsea is the Mars Card to Bill

Location: Life Spread

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

The Mars connection is one of the strongest in terms of how much it affects each of the partners. Mars is the God of War and Anger. It actually represents pure energy, but on an aggressive, passionate level. For this reason this is a great connection for people who actually do physical things together. Working partners often have this connection and it stimulates them both to achieve more and be productive. However, the negative side of Mars should also be considered as this connection can potentially cause anger and competition and in some cases make real enemies out of the two people involved.

In this relationship Bill is the one who is more affected by it. Because Chelsea is his Mars card, all this Mars energy is be experienced more by him. This can translate as Chelsea making Bill feel stimulated, aggressive, or angry and competitive. In its best form, the Mars connection will encourage the two to become active. And if they can actively pursue common goals, it can be very constructive and rewarding.

But Bill must bear the greatest responsibility for the stimulation of this connection and how it is manifested between them. The trouble with anger and competition is that when we are experiencing it, we are completely convinced that the other person, in this case, Chelsea, is the cause of our problems. Rarely are people angry and realizing that the anger is their problem. But even so, it is their problem if it is they who are angry. So, according to this connection only the way Bill handles the stimulation provided by Chelsea will determine what goes on and how this strong Mars energy is channeled.

Bill can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Chelsea can actually be a catalyst to get Bill out of his complacency and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Chelsea and Bill go outside and do

The First Connection Between You

Bill

Chelsea

things together, or at the very least, find something productive to do together with this energy. Friends or associates with this connection usually go walking, hiking, jogging, riding, shopping, bicycling or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

This connection provides a lot of the spark, fire, and magic in this relationship. If Chelsea and Bill use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Chelsea: I am aware of how much I stimulate Bill and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Bill: I accept Chelsea as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

The Second Connection Between You

Bill

Chelsea

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the past-life or 'earned' connections, and it happens to be one of the better ones in terms of what it brings into the lives of Chelsea and Bill. This particular connection indicates that Chelsea and Bill shared a past life where they held the same spiritual or philosophical views. There is a strong possibility that during that particular lifetime, these philosophies and beliefs were a major theme in their life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction.

Now that they have met each other again, Chelsea and Bill are reminded of the connection they once had. By being together, many positive results are manifesting in their lives. Chelsea enjoys being the giver in this relationship and she will give everything that she can to Bill as a natural expression of her feelings for him. She will provide guidance and inspiration when it is needed and will act as a reminder of the high level of truth and integrity that they once shared.

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Bill is the one who receives most of these benefits because he is on the receiving end of this connection. Chelsea also benefits because giving is in reality another form of receiving. Chelsea and Bill have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow into one of the most important cornerstones of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives.

In particular it is up to Bill to stimulate this potential by practicing the art of appreciation for the many good things he shares with Chelsea. Appreciation is one of the magical keys to prosperity, one that could unlock the door to his

Bill

most cherished desires. When the natural giving that Chelsea does is complimented by Bill's felt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many people who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. It is a great connection for business partners. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Chelsea and Bill have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Affirmation for Chelsea: I am glad to be a blessing in Bill's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Bill must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Bill: I am grateful for the presence of Chelsea in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Third Connection Between You

Bill

Chelsea

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Chelsea is the Cosmic Lesson Card to Bill

Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. But it can be more important in business relationships. Because it is one of the universal or cosmic connections, it has more to do with how these two connect in relationship with the world around them. Specifically, Chelsea is a reminder to Bill of how he has, or could have, an important role to play in terms of helping mankind. This is about Bill's career and role in the world. If he is not career-minded at all, then Chelsea's influence may just have some implications about whatever role he is playing in his life, as seen by others. For example, if Bill is not career oriented, Chelsea may just might just be a sort of role model for what Chelsea could do, either in her personal life or in some professional sense.

But in all cases, Chelsea's presence in Bill's life is telling him that he should be doing this or that - essentially things that will both improve his life as well as help others through his contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Bill if he is searching to find his purpose, or to decide what kind of role would best fit him. By studying our Cosmic Lesson Card, these sorts of things are revealed.

The fact that Bill has attracted someone who is his Cosmic Lesson Card into his life is probably an indication that he is ready to achieve some of his potential, or that Bill will be lead to his rightful place, work or career-wise, by Chelsea's influence in his life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Chelsea's reminding Bill of his highest potential, or somehow offering suggestions that may help his career. However, Chelsea's presence in his life already serves as that reminder. She may even be involved in the kind of work that he aspires to, or may eventually become involved in. In other cases, it

The Third Connection Between You

Bill

Chelsea

could be the way she does what she does that is a clue for Bill as to what it is that can benefit his career or direction.

Affirmation for Chelsea: My awareness of how I am a reminder to Bill of how he can make a valuable contribution in this world reminds me that I am an important influence in his life. I wish only the best for him and hope that my influence is a positive one in his life.

Affirmation for Bill: I am grateful for the presence of Chelsea in my life. She reminds me of what I can do and become in a way that inspires me to my highest potential.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

From a past life of being together, Chelsea has returned to Bill in order to play an important, but subtle role in his life. This role will help Bill find himself and his life's work if he is looking for these answers. This represents a karmic debt that Chelsea must repay in order to fulfill her own aspirations. Somehow, Chelsea will be able to help Bill realize his highest potential. At the least, Chelsea's presence in his life will act as a sign to point him in the right direction, a direction where Bill may fulfill his obligation to the world and make a valuable contribution through his efforts.

On a personal level, this connection has little, if any, influence. It may not affect the way they feel about each other unless the subject of Bill's most important issues revolve around his purpose and career. In that case, Chelsea may find herself reminding Bill of how he can improve himself, or of what things he can do to get more success in the areas to which he is striving. If this happens, Bill may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important

The Fourth Connection Between You

Bill

Chelsea

these issues are for Bill, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Bill is aware of his own personal need to accomplish some important goal in life, he will find Chelsea to be a helpful influence in this regard. She may even be doing the kind of work that Bill is wanting to do, or is destined to do. They may be able to share this work. In other cases, Bill may not be career-minded at all and Chelsea merely serves to remind him of characteristics that will help him fulfill whatever roles he is playing in his life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Chelsea or Bill to be conscious of it. However, Chelsea's presence is a lesson to Bill on some level and the more he is aware of this, and then acts upon what he is receiving from her, the sooner Bill will elevate himself in respect to whatever roles he is playing in his life.

Affirmation for Chelsea: My awareness of how I am a reminder to Bill of how he can make a valuable contribution in this world reminds me that I am an important influence in his life. I wish only the best for him and hope that my influence is a positive one in his life.

Affirmation for Bill: I am grateful for the presence of Chelsea in my life. She reminds me of what I can do and become in a way that inspires me to achieve my highest potential.

The Fifth Connection Between You

Bill

Chelsea

Chelsea is the Pluto Card to Bill

Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Chelsea and Bill share a very powerful connection that is sure to affect them both in a powerful way. However, it will affect Bill the most as the Pluto energy is directed at him. Someone who is our Pluto Card has qualities and character traits that will challenge us and inspire us to change ourselves, whether we like it or not. When we attract someone who is our Pluto Card, it is as if we have a secret desire to make some important changes in our life and need the reflection that someone else can offer us in order to effect this change. And this is what it is for Bill because Chelsea is a transformative influence in his life.

This connection often produces a powerful attraction, especially in the beginning of the relationship. It can seem to be a magnetic energy or even fate, that draws them together. It has even been associated with obsessive or compulsive behaviors of various kinds, however this is in extreme cases. The attraction may be compared to the attraction of a moth to a flame, because ultimately our Pluto person will cause us to burn in the fires of our own personal transformation.

It may be that Bill feels that he would like to be like Chelsea in some way. Many times our Pluto Card represents qualities that we would like to have, but haven't been able to achieve for some reason. Bill may admire many of Chelsea's qualities and secretly wish that he were more like her. And indeed, Chelsea's presence in Bill's life will serve to accelerate his own process of change that will help him achieve those things he wants. But keep in mind that Pluto is the planet of transformation. This means that something within us must die in order for something that we want to be born anew. Most of us are afraid of death, even the smallest deaths in our life that make way for a new us. This may be the case with Bill, who has attracted this transformative person into his life. And if so, this connection could produce some dramatic effects.

It would not be surprising then, if Bill resisted the changes inspired by Chelsea in his life. He may even get into arguments or fights with Chelsea.

The Fifth Connection Between You

Bill

Chelsea

When a strong Pluto influence is in our life, we often feel confronted on many levels. This can make us feel threatened or angry. Some Pluto relationships can even become violent, if the person receiving the Pluto energy unconsciously blames their partner for the feelings that are inspired by this connection. When Pluto energy is expressed on the negative side, we may feel that our very existence is threatened at times. Unless we have consciously made the choice to make this change within us, we may resist and lash out at whoever stimulated us, thinking that they are the cause of our problems.

The Pluto connection is about making some fundamental changes in our life. The actual number and suit of Chelsea's card involved in this connection may indicate the nature of the changes that Bill needs or wants to make within himself. If Bill has already realized that he needs to change in some areas, he is probably already aware of Chelsea's importance in his life. And often the changes that are needed can take a number of years to effect. So this may be one, if not the, most important relationship of Bill's life. Chelsea will be affected as well, simply by being the witness to Bill's going through the transformation. And ultimately, this relationship can be of the highest value to both of them.

Affirmation for Chelsea: I realize the unusual role that I play in Bill's life and consciously direct my thoughts, words and deeds to perform this role in a friendly and compassionate manner. I am inspired by the work he is doing on himself.

Affirmation for Bill: I accept Chelsea as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Chelsea's presence in my life. With her, my transformation is accelerated many times over. I accept this change as my own personal responsibility.
